NAC ACCREDITATION

This is the month that we have been waiting for! Two years in the making! The National Accreditation Commission for Early Care and Education Programs (NAC) has called us to give us our window of when they will be visiting our school. They will be looking at the interactions between teacher, parents, and children. They will be grading us on our classrooms, watching to see if we fulfill our promise to love each child, and to make sure we are teaching them correctly according to our curriculum. If you have any questions please stop by the office and talk with Mr. George.

Parent / Teacher Conferences

Keep an eye out for the sign up sheet for all classroom conferences. Mr. George will have this posted in the front for all parent/guardians to see. If you would like to sit and take time with your child's teacher sign up for an appropriate time. If you choose not to sign up at this time or would prefer another day, just let Mr. George know and something can be set up for you.
